

How to leave a review on Yelp

If you already have an account follow **steps #1-5 & 8-10**

If you do not have an account follow **steps #1-7 & 10**

1. Click the Yelp icon on our reviews page
2. Next to our name click "Write a Review"
3. Use the stars to rate your review of us
4. Fill in the "Your review" section
5. Click "Sign Up and Post"
6. If you have an account skip to **step #8**
7. Sign up using Facebook or by filling out the information for creating an account, ensure you have finished creating your account then go to **step #10**
8. If you have an account click "Log in"
9. Fill out the login information and any verification questions that come up
10. Check your email for a confirmation link and confirm the review

Trouble shooting:

- If you are redirected to a page and cannot find where to leave a review go back to our reviews page and click the icon for Yelp again
- If you don't know what to write or need more direction click our link for "Tips for writing great reviews"
